

Cooperative Programme
of the Agreement on Scientific Cooperation
between
the National Research Council of Italy (CNR)
and
The Vietnam Academy of Science and Technology (VAST)

In accordance with the provision of Article IV of the Agreement between the National Research Council of Italy and the Vietnam Academy of Science and Technology (hereinafter referred to as CNR and VAST respectively), both Parties have agreed on the following cooperative programme.

Article 1. Forms of Cooperation

The Parties will promote the cooperation between Vietnamese and Italian researchers and research centres through the following forms of cooperation:

- a) Joint research programs
- b) Visits and exchange of research academic staff
- c) Other cooperative activities mutually accepted

Article 2. Joint Research Projects

For the joint research projects the cooperation will be conducted as follows:

- 2.1 Both parties will support up to three (3) joint research projects implemented on specific subjects, as stated in the Article 2, point 2.1. with the participation of scientists from each Party.
- 2.2 The call for proposals of joint research projects will be announced simultaneously by the Parties in April every two/three years. The first call for proposals will be announced in April 11, 2022 with a deadline of July 11, 2022. The selected joint research projects will be in place for a duration of two/three years.
- 2.3 The joint research projects will be expected to start on January 1, 2023.
- 2.4 Both parties, CNR and VAST, will:
 - a) gather all the applications from their respective sides,
 - b) review them separately, and
 - c) exchange prioritized lists by the beginning of December

d) select the joint research projects to be funded on the basis of financial availability and the provisions of the Scientific Collaboration Agreement.

e) finance its own team of researchers.

2.5 The list of joint research projects mutually approved will be made public once available.

Article 3. Financial Support

In accordance with the provision of Article II of the Scientific Cooperation Agreement, the approved joint research projects shall be financed as follows:

3.1 The Parties agree to contribute on an equal basis to the financing of the program, subject to the availability of the Parties' funds.

3.2 For each project, VAST will provide annually up to 265,000,000 VND to the Vietnamese team, and CNR will provide up to 10.000,00 € to the Italian team.

3.3 The support given by the Parties to the research teams shall complement the proper resources of each team, and is intended to subsidize the general costs linked to the international nature of the projects, the costs of international travel, mainly transportation and per-diem expenses.

Article 4. Medical insurance

The visitor should have insurance entitling the holder to free emergency medical treatment in the host country.

The receiving Party will provide the visitor with all indispensable organisational assistance in situations requiring such steps.

Article 5. Protection of Personal Data

Concerning the protection of personal data deriving from this Cooperative Programme, refer to article 4 of the Agreement on Scientific Cooperation.

Article 6. Amendments

Amendments to this CNR-VAST Cooperation Programme may be proposed by either CNR or VAST. Such amendments will become effective when CNR and VAST have mutually agreed upon them.

Article 7. Duration and Termination

This Cooperative Programme shall come into force on the date of its signature from both parties and remains valid during the effective duration of the Agreement on Scientific Cooperation signed by and between CNR and VAST.

This Cooperative Programme is signed in two copies in English.
