

AGREEMENT ON SCIENTIFIC COOPERATION
between
THE NATIONAL RESEARCH COUNCIL OF ITALY (“CNR”)
Piazzale Aldo Moro 7 – 00185 Rome, Italy
and
THE HUNGARIAN ACADEMY OF SCIENCES (“MTA”)
Széchenyi István tér 9. – 1051 Budapest, Hungary

(Each shall be referred to as “Party” and together “the Parties”)

The Parties wishing to promote the implementation of cooperative programs in the areas of mutual interest, have agreed upon the following:

Article 1. OBJECTIVES

The purpose of this Agreement is to establish a framework for the development of collaborative programmes and projects of mutual interests to further strengthen cooperation in scientific research and development between CNR and MTA.

The Parties shall promote scientific collaboration on projects of mutual interest among researchers from CNR and Hungarian researchers as defined in the Protocol annexed to this Agreement on the basis of mutual and equitable contributions and benefits.

Article 2. FORMS OF COOPERATION

This Agreement shall promote collaboration including the following activities:

1. Joint research projects
2. Other cooperative activities mutually accepted

The call for proposals of joint research projects will be announced simultaneously by the Parties every three years.

The Parties will carry out the scientific evaluation of the applications received individually. The evaluations will then be compared between the Parties, who will jointly select the projects to be financed. The selected joint research projects will be in place for a duration of three years.

The number of projects, the amount of fund, the duration and the implementation of the joint research projects or any other cooperative activity to be supported will be established in a separate Cooperative program.

Article 3. CONFIDENTIALITY

The Parties shall undertake to hold the “confidential information” that is exchanged directly or indirectly.

The Parties shall:

1. not to use Confidential Information other than for the purpose for which it was disclosed;
2. not to disclose Confidential Information to any third party without the prior written consent by the Disclosing Party;
3. to ensure that internal distribution of Confidential Information by the Receiving Party shall take place on a strict need-to-know basis;
4. Each Party shall promptly advise the other Party of any unauthorized disclosure, misappropriation or misuse of Confidential Information after it becomes aware of such unauthorized disclosure, misappropriation or misuse.

Notwithstanding any termination or expiration of this Agreement, the confidentiality obligations under this Agreement shall survive such termination or expiration and shall continue in effect for a further period of four (4) years from the date of such termination or expiration.

Article 4. INTELLECTUAL PROPERTY

Nothing in this Collaboration Agreement shall affect ownership of the Intellectual Property rights of either Party existing prior to the date of this Collaboration Agreement or generated by a Party not in the course of a Research Project.

Nothing in this Agreement shall grant to a Party any rights to Intellectual Property and Materials owned by the other Party prior to the effective date of this Collaboration Agreement, Intellectual Property and Materials developed by the other Party not in the course of a Research Project and Intellectual Property and Materials arising out of the activities of a Research Project without inventive step by such Party.

Ownership of Intellectual Property arising in the course of a Research Project shall be determined in accordance with inventorship under applicable law.

Joint Intellectual Property Rights: Intellectual Property created with the inventive contribution of both Parties in the course of a Research Project will belong jointly to both Parties in ratio of 50% to each Party.

Article 5. PUBLICATIONS

Each Party has the right to publish its own scientific findings, technical reports and results of the work performed under a Research Project under this Collaboration. Any publications containing results of the other Party must be agreed prior to publication.

The logo of each Party shall only be used by the other Party under prior written approval of the Party to which it belongs.

Article 6. LEGAL DISPUTES

Any dispute resulting under this Agreement shall be resolved amicably.

Therefore, any dispute concerning the interpretation or execution of this Agreement will be resolved through friendly consultations and negotiations between the Parties.

Article 7. PROTECTION OF PERSONAL DATA

Personal data shall be processed by CNR pursuant to Regulation (EU) 2016/679 and by MTA pursuant to Regulation (EU) 2016/679. Any processing of personal data shall be carried out exclusively for the purposes of the execution, management and monitoring of this Agreement. Once personal data are no longer necessary for the purposes of the Agreement, or in case a data subject exercises a right of erasure, personal data will remain stored exclusively for the purpose of addressing potential liabilities arising from the processing while respecting the statute of limitations. After this period, the personal data will be deleted. The Parties do not have the right to transfer personal data to third parties.

Article 8. DURATION AND TERMINATION

This Agreement shall come into force on the date of its signature from both Parties and remain in force for a period of 6 years unless either Party expresses its decision to terminate it through a certified notification at least six months prior to the expiry date.

The termination of the Agreement shall not affect the ongoing or approved activities under the terms of the Agreement.

This Agreement has been signed in two identical copies in the English language and both are deemed equally effective.
