## Bilateral Agreement CNR/HCST-NCRD

### Joint Research Projects 2021-2022

#### Final Report

Considering the Joint Bilateral Agreement signed on 12 March 2020, the joint call for the bilateral project program launched on 4 June 2020, both Parties have jointly decided to finance, under the future joint program, 3 projects with a maximum grant of 10,000.00 Euros per year per each project, for 2 years

After the evaluation procedures performed independently by both Parties, the assessed projects obtaining the highest scores have been taken into account.

The Parties agreed to finance the following proposals included in a final ranking list:

Joint Research Project	Italian Institution	Jordanian Institution
"Oil extraction from Jordanian oil shale by sustainable methods"	Dr. Francesco Barzagli Institute for the Chemistry of OrganoMetallic Compounds (ICCOM)	Mohammad W. Amer The University of Jordan, School of Science, Department of Chemistry
"Wastewater treatment in anaerobic UASB and hybrid bioreactors followed by a post-aerobic step"	Dr. Maria Concetta Tomei Institute of research on water (IRSA)	Dr. Mohammad Khairi Younes Philadelphia University, Amman, Jordan

Mohammed
