

Bilateral Agreement CNR / VAST

Joint Research Projects 2023-2024

Final Report

Considering the Joint Bilateral Agreement signed 21 November, 2016, the joint call for the bilateral project program launched on April 1st, 2022, both Parties have jointly decided to fund, within the framework of the future joint program, 3 projects granting up to 10.000 Euros per project for 2 years.

After the evaluation procedures performed independently by both Parties, the assessed projects obtaining the highest scores have been taken into account.

The Parties agreed to finance the following proposals included in a final ranking list:

| Joint Research Project | Italian Institution | Vietnamese Institution |
|--|--|---|
| " HALOPHARM: HALOarchaea as the source of novel enzymes for PHARMaceutics" | Dr. Violetta LA CONO Institute for Polar Sciences (ISP)-CNR- Messina | Prof. Dr. PHAM Duc-Thinh Nhatrang institute of technology research and application |
