

Final Report of the Joint Bilateral Agreement CNR/IVI (The Institute for Artificial Intelligence Research and Development of Serbia)

Biennial Program 2024-2025

Considering the General Agreement signed on May 2023 and the joint call for the bilateral project program launched in September 2023,

Following our agreement, both Parties agreed on funding up to 5 joint research projects (CNR will provide up to 5.000,00 euros per year for 2 years to the Italian team, and IVI will provide up to 5.000,00 euros per year for 2 years to the Serbian team).

By the deadline foreseen by the call, 4 proposals have been submitted to both parties.

After the evaluation step performed independently by both Parties, CNR and IVI agreed to support 3 projects which received the score of minimum 16/20.

The Parties agreed on the following final ranking list of the proposals to be financed:

Joint Research Project	Italian PI	Serbian PI
DeepMicroCore: Harnessing the power of artificial intelligence to identify the core microbiome	FILIPPO BISCARINI	BRANISLAVA RAKIC PODGORIC
