

Bilateral Agreement CNR/CACH
Joint Research Projects 2026-2027
Final Report

Considering the Joint Bilateral Agreement signed on November 28, 2024, the Cooperative Programme of the Agreement on Scientific Cooperation, and the joint call for the bilateral project program launched on April 7, 2025, both Parties have jointly decided to fund, within the framework of the future joint program, up to 3 projects granting 10.000 Euros per project for 2 years.

At the deadline foreseen by the call, 3 proposals have been submitted to both parties.

After the evaluation procedures performed independently by both Parties, the assessed projects obtaining the highest scores have been taken into account.

After the evaluation procedures performed independently by both Parties, CNR and CACH decided to fund 1 project. The criteria used by CNR and CACH for the selection of the winning projects are the following:

- ✓ We decided to finance the projects based on an agreed combination of the two parties' rankings.
- ✓ We decided to finance max 1 project which belong to the same scientific area.

The Parties agreed to finance the following proposal included in a final ranking list:

Joint Research Project	Italian Institution	Chinese Institution
"Performance and Durability of Nanocellulose Adhesives for Palm-Leaf Manuscripts Restoration."	Dr. Mauro MISSORI Institute for Complex Systems (ISC-CNR)	Dr. WANG Shan China Academy of Cultural Heritage

For the
National Research Council of Italy
Dr. Virginia Coda Nunziante
Head of International Relations Office
