## **Call for Abstracts**

## The 9<sup>th</sup> International Workshop on Nanoscale Spectroscopy and Nanotechnology (<u>NSS-9</u>)

Sep. 25th – 28th, 2017, Dream Center, Gyeongju, South Korea

The International Workshop on Nanoscale Spectroscopy and Nanotechnology is a biennial meeting series to share the information on the latest research advances in science and technology in the nanometer regime.

The scope includes (but is not limited to) electronic, optical, magnetic, mechanical and transport properties of nanoscale systems and nanoscale devices, as well as nanomanipulation. Focus topics that will be featured at NSS-9 include Synchrotron Applications; Scanning Probe Microscopy; Transmission Electron Microscopy; 2D Nanostructure; Nano Fabrications; Solar Molecular Process; Polymers and Devices; Nano-Bio; Molecular Machines; Nanoparticles; Piezoelectric and New Instrumentations; Nano-Magnetism; Nano-Optics; and Nano Superconductivity.

We encourage you to participate in this workshop by submitting an abstract before June 16<sup>th</sup>, 2017.

- Conference Venue: Dream Center, Gyeongju, South Korea
- Date: Sep. 25<sup>th</sup> 28<sup>th</sup>, 2017
- Abstract Submission: May 17th June 16th, 2017
- Submission Extension : June 19<sup>th</sup> June 30<sup>th</sup>, 2017
- Early Registration: July 3<sup>rd</sup> July 31<sup>st</sup>, 2017

Standard (500 USD), Student (300 USD), Onsite registration (600 USD)

Abstracts must be submitted for oral and poster presentations. All abstracts will be reviewed by the program committee. Please send your abstract to the NSS-9 Program Committee, <u>nss9@ibs.re.kr</u> as an MS word or pdf format. The abstract should explain the contents of your presentation clearly and should be written on one page of A4 (or US letter size) paper. We look forward to seeing you at NSS-9 in Gyeongju, S.Korea.

Han Woong Yeom (Director CALDES, IBS) and Ki Bong Lee (Director PAL), Cochairs of NSS-9 (<u>http://nss-9.com</u>)
