Join us for an **international** event on **inclusive language**! Participants will include professionals from **six different EU countries**, experts and researchers from the **National Research Council (CNR)** and 'La Sapienza' University of Rome. The programme includes many interesting topics such as the presentation of the results of the European project SIMPL4ALL, the exploration of solutions for **inclusive employment**.

Implementing the role of **apps** and **technology** in **simplifying** communication processes. Experts will also share insights on **professional writing, sign language** and **video modelling** to foster autonomy and the development of literacy and skills. Join in the discussions on easy-to-read language, **pedagogical mediation** and **interactive comics**. Keynote speakers include Prof. Paolo D'Achille, President of the **Accademia della Crusca**.

Co-funded by the
Erasmus+ Programme
of the European Union
