

## First Announcement and Call for Abstracts

# **First Announcement and Call for Abstracts**

A two-days Joint Working Group Meeting on **SOOT & PAHs** is organized in the framework of the COST Action CM901 “Detailed Chemical Kinetic Models for Cleaner Combustion”.

The workshop will be held from April 10 to 12, 2013, in Sorrento Italy.

The purpose of the workshop is to:

- Review the current status of our understanding of soot formation mechanisms, new data and experimental methodologies, and advances in the application of soot models to solve practical problems.
- Candid discussion of areas of discrepancies and the priorities for future research.
- The definition of a plan for collaboration between the soot community in Europe.

## ***Abstract Submission***

An abstract of 2 pages is requested for all presentations, oral (15 minutes for each WG participant) or poster, in order to prepare the proceedings.

Deadline for abstract submission is 15th January 2013.

Abstract should be sent to:

- by e-mail at [cost@progepi.fr](mailto:cost@progepi.fr)
- by Fax at +33 3 83 32 73 08
- by mail to Progepi – 1, rue Grandville, 54001 Nancy, France.
