

**Italian Society of NIR Spectroscopy - SISNIR
in collaboration with National Research Council -
Trees and Timber Institute (CNR-IVALSA)**

have pleasure to invite you for

**Workshop: Application of NIR spectroscopy for wood
science and technology research
NIR & WOOD – SOUNDS GOOD!**

April 15 2014

**Trees and Timber Institute (CNR-IVALSA)
Via Biasi 75, 38010 San Michele all' Adige (Trento)**

OBIETTIVES

The purpose of the Workshop is to encourage dialogue and exchange of ideas at the national level related to research and applications of NIR spectroscopy for wood science and technology. The workshop includes topics of general interest and covers all areas of wood and applications in Italy:

- wood science and technology
- tree breeding
- biomass/bio-energy
- timber construction
- cultural heritage
- industrial application / process monitoring

1° Call for contribution

Those who are interested to present case studies or research activities during the Workshop are invited to submit a short abstract of the contribution, by **February 15, 2014** to: sandak@ivalsa.cnr.it
