

NEEM 2015

Nanoscale Excitations in Emergent Materials

October 12-14, 2015

Aula Marconi - Consiglio Nazionale delle Ricerche Piazzale Aldo Moro 7, Roma

Topics

- Nano materials for energy
- Nano-particles and nano-structured materials
- Correlated nano-phase materials
- Functional nano-materials
- Nano-materials in environment
- Composite nano-materials
- Technological applications of nanostructures
- Theoretical models
- Nano bio-materials
- Nanomaterials for fusion

Scientific Committee chairpersons

Augusto Marcelli (INFN-LNF, Frascati)

Chidambara Balasubramanian (IPR, Gandhinagar)

Advisory Committee

A. Bianconi (RICMASS, Rome)

D. Bora (IPR, Gandhinagar)
