Dear ING. Giuseppe De Pietro:

This is to certify that, from July 1, 2018 until July 22, 2018, Dr. Elio Masciari visited the UCLA Computer Science Department as a guest scholar. During this period, Dr. Masciari worked, in close collaboration with me and the researchers of the Web Information System Laboratory, on Data Streams Management Systems and Geographical Information Systems. By all accounts, Dr. Masciari's visit was very productive.

Best Regards,

Carlo Zaniolo
