

GIOVANNI ABRAMO

Education

- 1988-90** **MASSACHUSETTS INSTITUTE OF TECHNOLOGY** **USA**
SLOAN SCHOOL OF MANAGEMENT
Master's degree in Management, February 1990
Specialization in Management of Technology, International Management, and Strategic Management. Thesis title: *Technology Transfer and Third World Development*; supervisor Prof. Richard M. Locke
- 1977-83** **UNIVERSITY OF ROME 'SAPIENZA'** **ITALY**
Laurea in Electronic Engineering, October 1983

Experience

- 1984-present** **NATIONAL RESEARCH COUNCIL (CNR)** **ITALY**
Acting Director
Institute for System Analysis and Computer Science (IASI), Aug. 2020 - present;
Main fields of expertise: strategic management of research, research evaluation, technology transfer.
- Head, founder of the Laboratory for Studies in Research Evaluation
 - Set up a unique scientometric system to assess research performance at the individual and institutional levels.
 - Co-inventor of the Italian scientific competences database, ORP, a decision support system for technology transfer;
 - Representative of the Italian Government for EU Committees on technology transfer, for fostering European firms' competitiveness, particularly small- and medium-sized enterprises;
- Leaves of absence:**
- 1985-86 U.S. Graphite Inc., Saginaw, MI, USA
 - 1988-90 Massachusetts Institute of Technology, Cambridge, MA, USA
 - 1994-95 Scuola Superiore di Studi Universitari e Perfezionamento Sant'Anna, Italy.
- 2018** **NANYANG TECHNOLOGICAL UNIVERSITY** **SINGAPORE**
Visiting scientist, in research evaluation
- 2017-present** **UNIVERSITY OF WAIKATO** **NEW ZEALAND**
Honorary Professor, Waikato Management School
- 2017-present** **CLARIVATE ANALYTICS** **USA**
Member of the scientific advisory board (Web of Science), providing insights on key developments and trends impacting scholarly publishing and the scientific research community; informing the company's long-term strategic roadmap.
- 2006-present** **RESEARCH VALUE (CNR SPIN-OFF)** **ITALY**

President, founder of a research-based company providing information and consulting services on research evaluation; services have been provided to over thirty research institutions and government bodies, in Italy and abroad.

- 1998-present UNIVERSITY OF ROME 'TOR VERGATA' ITALY**
- **Adjunct Professor** of Management of Innovation and Entrepreneurship (2015-present), in the undergraduate Engineering program;
 - **Adjunct Professor** of Strategic Management (2000-2012) and Management of Innovation (2000-2004), in the Master's program in Management;
 - **Adjunct Professor** of Economics Applied to Engineering (1999-2010), in the undergraduate Engineering program;
 - **Member** of the Committee for the Doctoral Program in Management; Lecturer and PhD candidate supervisor in the same program.
- 1996-2004 UNITED NATIONS (UNIDO) AUSTRIA**
- Consultant** in management of technology transfer
- Project coordinator for development of a training package in Technology Transfer Management;
 - Analyzed technology infrastructure for Bahrain, Croatia, Iran, Jordan, Qatar, Russia, Slovenia, South Korea, and UAE; gave customized training courses on technology transfer management to local managers in each country.
- 1991-93 MINISTRY OF FOREIGN AFFAIRS ITALY**
- Consultant**, industrial development cooperation projects
- Leader of Italian missions to Ethiopia for design of "*Programme Aid*", a \$30 million technology transfer program aimed at the development of the industrial sector. Analyzed industrial structure, government industrial development policy and appropriateness of implementation measures. Designed a program of efficient resource allocation aimed at fostering the transition from a centralized to market-oriented economy.
 - Project manager of the "*Akaki Project*", a \$20 million technology transfer project for an Ethiopian heavy manufacturing enterprise. Responsible for: development of business plans, investment feasibility studies and economic cost-benefit analyses; in-field implementation of staffing, planning and project operations.
- 1985-86 US GRAPHITE INC. USA**
- Vice President of Engineering, member of the executive staff**, promoted after three months of CNR-sponsored professional internship: identified needs for management of marketing-engineering-manufacturing interfaces; assumed responsibilities in these areas; formulated and implemented technology strategies.

Additional teaching experience in the area of Strategic Management and Management of Innovation

Boston University, European Institute of Technology, LUISS School of Management; Scuola Superiore Sant'Anna; Scuola Internazionale Superiore di Studi Avanzati (SISSA); Universities of Perugia, Salerno and Salento; Polytechnic of Milan and Polytechnic of Marche; Il Sole 24 Ore business school; Finmeccanica business school; Istituto G. Tagliacarne; STOA institute for management studies; ISTAO institute for management studies; Basentech technological park.

Other experiences

2019-2022	NIFU Member of the international advisory group for the project “Lack of gender balance in academia”. The Nordic Institute for Studies in Innovation, Research and Education (<i>NIFU</i>).	NORWAY
2017-present	NATIONAL RESEARCH COUNCIL Member of the research group responsible for the preparation of the yearly “Report on the state of Italian research”.	ITALY
2015-present	ZOOLOGICAL STATION A. DOHRN President of the Independent Evaluation Committee (OIV)	ITALY
2015-2016	COUNCIL FOR AGRICULTURAL RESEARCH (CREA) Member of the working group for participation of the Council in the 2011-2014 Italian Research Evaluation Exercise (VQR)	ITALY
2014-present	NATIONAL CENTER FOR SCIENCE EVALUATION Evaluator, research project proposals	KAZAKHSTAN
2012- 2015	UNIVERSITY OF SASSARI Member, University Evaluation Committee (NdV)	ITALY
2012-2013	MINISTRY OF EDUCATION, UNIVERSITY, AND RESEARCH Member of the task force for measurement of bibliometric indicators in the 2012 and 2013 ASN "habilitation" competition for Italian university faculty positions	ITALY
2011-2015	EUROPEAN COMMISSION National Contact Point for ERAWATCH, a program for information on European, national and regional research systems, policies and programs, in the EU and the larger world	BELGIUM
2011-2012	NATIONAL RESEARCH COUNCIL (CNR) Member of the working group for CNR participation in the second national research assessment exercise (VQR); coauthored an algorithm for effective selection of the research products to be submitted to the VQR	ITALY
2010	NATIONAL RESEARCH FOUNDATION Evaluator, research projects on research evaluation	SOUTH AFRICA
2009-2015	UNIVERSITY OF UDINE Member of the University Evaluation Committee (NdV)	ITALY

2009-2012	REGION OF LAZIO	ITALY
	<ul style="list-style-type: none"> • Member of the Research Evaluation Committee, responsible for formulation of calls for research proposals, establishment of evaluation processes, development of procedures for selection of reviewers, development of project evaluation criteria, coordination and supervision of implementation; • Scientific director of a course for public managers on "Evaluation and monitoring of Research and Innovation". 	
2009-2013	UNIVERSITY OF PAVIA	ITALY
	Member, University Evaluation Committee (NdV)	
2006-2008	UNIVERSITY OF ROME 'TOR VERGATA'	ITALY
	Technical expert, Advisory Board on the University Observatory of Research (responsible for developing a research assessment system)	
2005-2009	FILAS S.P.A. (Region of Lazio development agency)	ITALY
	Coordinator of two projects: <ul style="list-style-type: none"> • Formulation of an Ex-ante Research Projects Evaluation Model • Mapping Italian Centers of Research Excellence 	
2004-on	REGION OF EMILIA-ROMAGNA	ITALY
	Evaluator, technology transfer project proposals	
2004-2005	FINMECCANICA S.P.A.	ITALY
	For this major Italian high-tech group, project manager for "Assessment of competitive technological positioning of individual Group companies"	
2004-2005	BIC LAZIO (Region of Lazio enterprise development agency)	ITALY
	Manager, feasibility study for a high tech incubator in the Tiburtino Industrial District	
2004	ITALIAN ASSOCIATION OF CHAMBERS OF COMMERCE	ITALY
	Project manager: "Analysis of research output and productivity of Italian public research institutions, and mapping of regional supplies of public knowledge"	
2000-2001	ITALIAN SPACE AGENCY	ITALY
	Member of a project for development of an assessment methodology for socio-economic impacts of agency-funded R&D projects	
1999	FONDAZIONE UGO BORDONI	ITALY
	Contracted for preparation of a report on methodologies of R&D assessment	
1997-2003	EUROPEAN COMMISSION	LUXEMBOURG, BELGIUM
	Expert and evaluator for technology transfer projects	
1992	TELECOM ITALIA (SIP)	ITALY
	Evaluator of the company quality system (EFQM model)	

Professional Associations, Editorial Boards

- **Member**, national register of independent performance evaluation committee (OIV) members.

- **Member**, ANVUR register of experts on the assessment of the “third mission” of research institutions
- **Lifetime Member**, ISSI (International Association for Scientometrics and Informetrics)
- **Associate Editor** of Journal of Economic Surveys (2016-present)
- **Associate Editor** of Journal Transinformação (2019-present)
- **Member of the Distinguished Reviewers Board** of Scientometrics (2015-present)
- **Member of the Editorial Board** of Quantitative Science Studies (2019-present)
- **Member of the Editorial Board** of Journal of Informetrics (2015-2019)
- **Member of the Program Committee** of the 25th International Conference on Science, Technology and Innovation Indicators, STI2020
- **Member of the Program Committee** of the 15th International Conference on Webometrics, Informetrics and Scientometrics, COLLNET2019.
- **Member of the Program Committee** of the 2018 PEERE International Conference on Peer Review
- **Member of the Program Committee** of the 15th (2015), and 16th (2017) International Conference on Scientometrics and Informetrics
- **Member of the Program Committee and Scientific Committee** of the 17th (2019) Conference on Science and Technology Indicators
- **Faculty mentor** at the doctoral forum of the 17th International Conference on Scientometrics and Informetrics

Scientific Awards

- | | | |
|------------------|---|--------------------|
| 2019-2021 | MINISTRY OF UNIVERSITY AND RESEARCH
PRIN 2017, was awarded competitive funding for a joint research project “The effects of evaluation on academic research: knowledge production and methodological issues”. | ITALY |
| 2018-2019 | ITALIAN AGENCY FOR RESEARCH EVALUATION (ANVUR)
Third “Research ideas” competition - Principal investigator, was awarded a contract for preparation of the study: “Assessment of recruitment effectiveness in academia along the research dimension”. | ITALY |
| 2017 | MINISTRY OF BUSINESS, INNOVATION AND EMPLOYMENT
Principal investigator. Was awarded two contracts for preparation of two reports: i) policy recommendations based on a review of the scientific literature on use of bibliometrics for measuring quality of research; ii) policy recommendations based on a review of the scientific literature on research collaboration and the use of bibliometrics in its analysis. | NEW ZEALAND |
| 1996-2001 | SCUOLA SUPERIORE SANT'ANNA
Within the EU-funded “PERCRO” R&D project (19 partners): <ul style="list-style-type: none"> • Quality manager, including responsibilities for formulation and implementation of the project quality manual • Development of a technology transfer plan for exploitation of research results. | ITALY |
