

## Bilateral Agreement CNR / TÜBİTAK

### Joint Research Projects 2023-2024

#### Final Report

Considering the Joint Bilateral Agreement signed on July 30, 2015, the joint call for the bilateral project program launched on April 1, 2022, both Parties have jointly decided to fund, within the framework of the future joint program, 3 projects granting 6.000 Euros per project for 2 years for the Italian side and up to 350.000 TL per project for 2 years for the Turkish side.

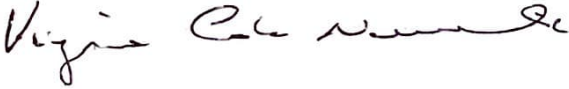

After the evaluation procedures performed independently by both Parties, the assessed projects obtaining the highest average scores and accepted by both sides have been taken into account.
