National Research Council of Italy

Bilateral Agreement CNR/NCRD

Joint Research Projects 2026-2027

Final Report

Considering the General Agreement signed on March 13, 2024, the Cooperative Programme of the Agreement dated on August 29,2024, and the joint call for the bilateral project program launched on April 15, 2025, both Parties have jointly decided to fund, within the framework of the future joint program, up to 3 projects granting 10.000 Euros (equivalent to 8500 Jordanian Dinars) per year for 2 years.

At the deadline fixed by the call, 4 proposals have been submitted to both Parties. The evaluation was performed independently by both Parties CNR and NCRD. Assessed projects obtaining the highest Average, have been taken into account

The Parties agreed on November 27 ,2025 to finance the following proposals included in a final ranking list :
