

## **Bilateral Agreement CNR / NRF**

### **Joint Research Projects 2026-2027**

#### **Final Report**

Considering the Joint Bilateral Agreement signed on September 24, 2012, the joint call for the bilateral project program launched on April 9, 2025, both Parties have jointly decided to fund, within the framework of the future joint program, 3 projects granting 10.000 Euros per project for 2 years.

At the deadline foreseen by the call, 10 proposals have been submitted to both parties.

After the evaluation procedures performed independently by both Parties, the assessed projects obtaining the highest scores have been taken into account.

After the evaluation procedures performed independently by both Parties, CNR and NRF decided to fund 3 projects. The criteria used by CNR and NRF for the selection of the winning projects are the following:

- ✓ We decided to finance the projects based on an agreed combination of the two parties' rankings.
- ✓ We decided to finance max 1 project which belong to the same scientific area.

The Parties agreed to finance the following proposals included in a final ranking list:
