

# She rocks Science

Monday 12 February, Aula Amaldi

**15:45-18:00 Aula Amaldi - Roundtable on Women and Science.** Speakers will be:

**Camilla Giaschi** (University of Salento): Gender inequalities in academia: numbers, reasons and mechanisms

**Ilenia Picardi** (University Federico II of Naples): Glass labyrinths in science: an analysis of gender structures in Physics

**Mariacristina Sciannamblo** (University La Sapienza): Making difference: experiencing computing through the lens of gender

**Eleonora Severini** (University of Pavia): Whose science? Whose knowledge? The feminist perspective in epistemology

It will follow a round table including the speakers and the audience.

**18:00-19:30 First Floor of Marconi Building- Meet and Greet:** young female scientists active in the Department of Physics will present posters on their research activities. The posters are aimed at dissemination of the scientific results to an audience of students in the bachelor's and master's degree.

**19:45-21:00 Outside Marconi Building**  
**- Dj Set and Aperò: DjLepton aka Eva Kant**  
let's get together with music and drinks!
