At a glance

The 2-day event represents the urban showcase of the PS-U-GO Urban Living Lab Naples (February-October 2025), which aims at holding together all these experiences in a logic of mutual learning between students, researchers and civic movements encountering public institutions and private bodies and co-designing urban solutions and actions to foster urban challenges. Activities are developed within the Erasmus+ project PS-U-GO Education in Living Labs: Participatory Skills for sustainable Urban Governance

Scientific Committee: Stefania Ragozino, Gabriella Esposito De Vita, Paolo Landri, Maria Patrizia Vittoria (National Research Council of Italy), Maria Cerreta (Department of Architecture, University of Naples Federico II), Tihomir Viderman (BTU Cottbus-Senftenberg), Ceren Sezer (RWTH Aachen)

Organizing Committee: Stefania Ragozino, Valeria Catanese, Emanuela De Simone, Federica Morra (National Research Council of Italy), Stefano Cuntò (Department of Architecture, University of Naples Federico II), Lorenzo Lodato (Lido Pola Urban Commons)
