

Ny-Ålesund Science Managers Committee

11th Seminar

October 9-11, 2013

National Research Council Rome - Italy

SECOND CIRCULAR

Seminar description

The seminar brings together scientists who have Svalbard and Ny-Ålesund (78°55'N, 11°56' E) in particular as a base for their research and monitoring activities. The aim of the meeting is to exchange scientific results, advancements, ideas and experiences to inspire each other and develop Ny-Ålesund further.

The seminar wants to foster the following topics:

- Flagship programs
- SSF funded projects
- Implementation of Ny-Ålesund monitoring activities
- NySMAC and SIOS: Status and future developments
