Nationality Italian

Date of birth 10/10/1952

EDUCATION AND TRAINING

Date 25/05/1976 degree in Chemistry, cum laude
Name and type of organization providing education and training University of Naples "Federico II"

Title and professional qualification obtained Doctor in Chemistry.

Thesis "Conformational freedom of polyamides"
Main subjects and professional skills related to the education awarded The University training gave me a very good knowledge of polymer synthesis and characterization

WORK EXPERIENCE

From 01/11/00 to date Full Professor of Chemistry (University of Naples Federico II)

From 15/10/02 to date Director of the Institute of Polymer Chemistry and Technology of CNR (ICTP-CNR)

From 01/01/2003 to date Responsible of the work package on smart textiles of the Regional Competence Center of Regione Campania (Italy)

From 15/09/2008 to 28/02/2010 President of Research Area NA 3 of C.N.R.

From 1/11/1991 to 31/10/2000 Associate Professor of Chemistry (University of Naples Federico II)

From 10/12/1987 to 31/10/1991	Associate Professor of Material Science (University of Basilicata)
From 21/12/1983 to 10/12/1987	Assistant Professor of Chemistry (University of Naples "Federico II)
Form 01/03/1982 to 30/06/1982	Researcher at the Institut . Forschungsinstitut fur Pigmente und lacke (Stoccarda, Germany)
From 01/10/1980 to 20/12/1983	Researcher at the Institute Guido Donegani (ENICHEM).
From 01/07/78 to 30/09/78	Researcher at Bend Research INC. (Oregon U.S.A.)
From 01/03/78 to 31/12/79	Researcher at the Institute of Principles of Chemical Engineering (University of Naples "Federico II)
From 01/10/76 to 28/02/78	Militar Service in the Italian Navy.

SOCIAL SKILLS AND COMPETENCES

My level of interaction with other people (i.e. in multicultural environments) is very high and I like positions where communication is important and situations where team work is essential.

ORGANISATIONAL SKILLS AND EXPERTISES

I am

Member of the International Society of Liquid Crystals

Member of the Material Research Society

Member of the Academy of Science of New York

Member of the Italian Society of Liquid Crystals

Member of the Italian Society of Macromolecules

Member of Italian Chemical Society

Member of the Editorial Board of the review: Anti-Corrosion Methods and Materials ISSN 0003-5599

Member of the Scientific Committee of the Polymer Characterization Conference, which takes place yearly in Denton (TX), USA

Member of the Italian Scientific Delegation in China in 1995

Member of the evaluation board of Marie Curie Project :

Member of the University Committee in the University of Study of Basilicata

Member of the Department Council in the Department of Engineering of the Materials and the Production of the University of Napoli

Coordinator of the sponsored Project of CNR: Special Materials for Advanced Technologies

Responsible for the research projects BRITE-EURAM

**Responsible for the research projects of CNR
Coordinator of didactic activity of AIM
Coordinator pro-tempore of Ph.D. in Engineering of Materials
Referee of Ministry of Education of Portugal for evaluation of
projects in the field of materials science
Referee of Ministry of Education of Italian Government for
evaluation of research project on polymer technology**

**TECHNICAL SKILL AND
EXPERTISE**

**My field of interest are relative to:
Polymer chemistry and Technology, Polymer
functionalization, Polymer synthesis, liquid crystalline polymers,
composites and nanocomposites, functional textiles, recycling and
processing of plastics, materials for packaging,**
