ZOË HELEN HAMMATT
Citizenship: UK and USA

EDUCATION

William S. Richardson School of Law, University of Hawaii J.D., 2000
 Graduate Certificate: Pacific Asian Legal Studies Admitted to Hawaii Bar, 2000

University of Glasgow
 Law and Ethics in Medicine M.Phil., 1997
 Thesis: *Patenting the Human Genome*

Loyola Marymount University B.A., 1991
 English Literature, Communication Arts

University of Edinburgh 1990
 Master of Fine Arts courses in History of Art and History of Architecture

PROFESSIONAL EXPERIENCE

Z Consulting, LLC / Honolulu, HI *President* 3/11-present
 Provide grant writing, editorial assistance, and consultation for development of proposals and manuscripts. Since 1/1/2017, provide research integrity consultation for international institutions and private and public organizations. Contribute to establishment and review of systems to ensure compliance and promote research and scholarly integrity. Assist with drafting of policies and procedures related to handling alleged breaches of research integrity. Provide expert opinion in confidential cases. Contribute to design of creative educational programs and materials, and establishment of networks, conferences, and collaborative initiatives in a global context.

Schools of Medicine and Nursing and Dental Hygiene, University of Hawaii / Honolulu, HI

Adjunct Associate Professor; Dept. of Cell and Molecular Biology, School of Medicine 2/19-present
 Provide ethics and integrity lectures and workshops for interdisciplinary Ola HAWAII Mentoring Bootcamp and other sessions, including multidisciplinary programs and guest lectures in established curriculum.

Faculty Lecturer; School of Nursing & Dental Hygiene 9/18-present
 Taught Philosophical Thought to PhD in Nursing students, Autumn 2019; Grant Writing and Grant Management, Summer 2019; Dissertation Proposal, Summer 2020; Foundation of Health Systems & Translational Science, Fall 2020 and Fall 2021.

Office of Research Integrity, U.S. Department of Health and Human Services / Rockville, MD 6/14-12/16
Director, Division of Education and Integrity

Designed and implemented global initiatives related to the responsible conduct of research and promotion of research integrity. Assisted office director with budgetary approvals and required documentation, coordination with internal and external federal agency representatives, and public relations. Organized conferences and workshops in collaboration with Division of Investigative Oversight and co-sponsors (e.g., RIO Bootcamps, IRB-RIO, Asia Pacific Research Integrity network, Promoting Integrity for Senior Institutional Leaders, World Conference on Research Integrity planning). Oversaw development of educational resources and social media outreach. Managed grants, assurance and research misconduct policy review programs in the oversight of about 4,000 institutions. Supervised staff and fellows in all program areas, including international outreach and creation of novel materials such as infographics, case studies, and videos. Founding member of the Asia Pacific, Latin, & African Research Integrity networks and served on World Conference on Research Integrity Advisory/Program Committees.

10 ottobre 2024

Office of the Vice Chancellor, Office of Research Compliance, University of Hawaii / Honolulu, HI
Research Integrity Officer and Director, Research Integrity Program 7/12-5/14
Managed Research Integrity Program to ensure appropriate handling of research and scholarly misconduct allegations in accordance with federal regulations and institutional policy. As designated Research Integrity Officer since 5/31/2013 (Interim since 2/1/2013), conducted assessment and guided review panels in misconduct inquiries and investigations. Contributed to drafting and implementation of institutional plans for responsible conduct of research, authorship, and conflicts of interest. Provided research integrity education, consultation, and conflict resolution. Assisted Vice Chancellor for Research with special investigations and conflicts of interest cases. Led program staff in planning, organization, and evaluation of Research Integrity Program, including development of policies and procedures. Established new Satellite Office of Research Compliance at medical school campus and Compliance Café to foster collaboration around human, animal and biosafety research compliance and integrity.

William S. Richardson School of Law, University of Hawaii / Honolulu, HI
Assistant Professor 4/10-7/12
Served as Legal and Regulatory Specialist, member of Senior Management Team, and Chair of Ethics and Regulatory Subcommittee for RCMI Translational Research Network (RTRN), a consortium of 18 minority-serving U.S. institutions conducting multi-disciplinary, multi-site research to reduce health disparities. Led IRB harmonization effort across 18 RTRN institutions and established proteomics and biospecimen working groups. Co-organized inaugural symposium on using biospecimens in health disparities research. Supported Research Integrity Officer in management of research misconduct cases and assisted with design and teaching of responsible conduct of research training sessions. Contributed to development of institutional research policies.

John A. Burns School of Medicine, University of Hawaii / Honolulu, HI
Assistant Professor 8/06-4/10
Designed curriculum and instructed students in Interdisciplinary Master of Science and PhD in Clinical Research Programs. Courses included "Legal and Regulatory Issues, Bioethics and the IRB" and "Foundations of Ethics in Biomedical Research." Contributed to proposal development and subsequently invited to serve as Legal and Regulatory Specialist, member of Senior Management Team, and Chair of Ethics and Regulatory Subcommittee for NIH-funded translational research network, as well as Bioethics Advisor for Institute for Biogenesis Research Center of Biomedical Research Excellence.

University of Hawaii John A. Burns School of Medicine / Honolulu, HI **Grants Writer** 2/02-7/02, 5/03-4/08
Collaborated with investigators to develop medical research applications for submission to the National Institutes of Health and other funding agencies. Assisted with program development and performed composition, synthesis and editing of proposals resulting in nearly \$100 million in funding. Most proposals involved comprehensive multidisciplinary research infrastructure programs designed to reduce health disparities.

American Foundation for AIDS Research / New York, NY **Special Assistant to the CEO** 9/02-5/03
Participated in development of HIV/AIDS programs in the U.S. and in Asia and the Pacific. Performed research and analysis and produced reports on international legal and policy issues, expanding access to treatment, and education and training programs. Served as liaison between office of the CEO and internal and external organizations.

Case Lombardi & Pettit / Honolulu, HI **Attorney at Law** 9/00-11/01
Represented hospitals, real estate developers, financial institutions, venture capital investors, and corporate clients in court, arbitration and mediation proceedings. Performed legal research, drafted documents for large commercial transactions, including correspondence, contracts, and legal agreements. Pursued continuing legal education through seminars on nonprofit organizations, international law, business law and conflict resolution.

Char Hamilton Campbell & Thom / Honolulu, HI **Law Clerk** 6/98-3/00
Conducted research and drafted legal memoranda in the areas of international law, medical malpractice defense and family law. Provided support for mediation and Medical Claims Conciliation Panel proceedings, including assistance with research and analysis, client counseling, and case evaluation.

10 October 2024

Radio Télévision Belge Français / Brussels, Belgium *English Teacher, Translator* 8/93-8/96
As sole in-house English teacher for Belgian national media network, designed tailored curriculum for executives, journalists and technical staff. Translated documents and news materials from French to English.

Europa Times / Brussels, Belgium *Editor* 4/93-8/93
Provided journalistic and artistic support for international news journal. Researched and wrote articles, edited text, conducted research and interviews in both English and French. Translated documents from French to English.

PRO BONO EXPERIENCE

Lydia Project / Eastern Europe and Scotland *U.S. Coordinator; English and Artistic Director* 8/95-4/17
As founding member of training team for Scottish charity, conducted intensive workshops for women from former Soviet countries seeking to establish non-governmental organizations for vulnerable groups (e.g., orphans, children with HIV/AIDS, victims of human trafficking, refugees, the elderly, the homeless). Taught English language, grant proposal development, international law, conflict resolution, networking and fundraising strategies, and creative arts.

Honolulu Academy of Arts / Honolulu, HI *Assistant to Curator of Western Arts* 5/91-8/91
Performed exhibition installation, research and writing for catalogues and exhibitions, writing of press releases and magazine articles, identification and cataloguing of art works.

MEMBERSHIPS, ADVISORY SERVICE AND LANGUAGES

2022-present Member, French Advisory Board for Research Integrity (CoFIS; Le Haut Conseil de l'évaluation de la recherche et de l'enseignement supérieur (Hcéres); Paris, France
2022-present Member, Board of Trustees, UK Research Integrity Office; London, UK
2021-present Member, Stakeholder Forum, "Responsible Open Science in Europe" European Commission grant award
2020-present Member, Policymaker & Stakeholder Board, "Path2Integrity" European Commission grant award
2020-present Member, International Editorial Board, *Forensic Sciences Research*
2019-present Member, Commission for Ethics and Integrity in Research, National Research Council, Italy
2018-present Member, Governing Board, World Conference on Research Integrity Foundation
2018-present Member, External Advisory Board, "SOPs4RI" European Commission grant award
2015-present Founding Member, African and Latin American Research Integrity Networks
2014-present Member, Advisory Board and Program Committee, World Conference on Research Integrity
2013-present Founding Member, Asia Pacific Research Integrity Network; Planning Committee Member
2012-2014 Member, RTRN Ethics and Regulatory Subcommittee
2010-present Member, External Advisory Committee, Ponce School of Medicine RCMI Program, Puerto Rico
2008-2012 University of Hawaii Ethics Committee & Review Panel Chair
2007-2012 Chair, RCMI Translational Research Network Ethics and Regulatory Subcommittee
2006-2011 Member, University of Hawaii Committee on Human Studies (Biomedical and Cooperative Institutional Review Boards; Educational Subcommittee)
2006-2008 Member, University of Hawaii Faculty Senate Ethics Board
2000-present Member, American Bar Association (inactive attorney status)
2000-present Member, Hawaii State Bar Association (inactive attorney status)
1997-2014 Ethics Fellow, St. Francis International Center for Healthcare Ethics, Honolulu, Hawaii
1997-1998 Member, St. Francis Healthcare Systems Ethics Committee, Honolulu, Hawaii

Languages: Fluent French, conversational Italian

INVITED REVIEWS, EDITORIAL BOARDS, & CASE CONSULTATION

Guest Editor for Special Issue on Research Integrity for *Forensic Sciences Research*
Funding application review for The Netherlands Organisation for Health Research and Development

10 ottobre 2024

Manuscript review for *Ethnicity and Disease*, *Research Integrity and Peer Review*, *Accountability in Research*, and *Forensic Sciences Research*, and *FACETS*, Canada's first multidisciplinary open science journal
Book review for Imperial College Press, London
Expert witness for confidential legal cases involving research misconduct
Expert advice on development of policies and procedures for handling alleged breaches of research integrity

PEER-REVIEWED PUBLICATIONS

1. **Hammatt Z**. Spotlight on research integrity: international insights on strengthening research culture in the forensic sciences and beyond. *Forensic Sciences Research* (2021); 6, 4.
2. Morens D and **Hammatt Z**. The COVID-19 pandemic: some thoughts on integrity in research and communication. *Forensic Sciences Research* (2021); 6, 4.
3. Olckers A and **Hammatt Z**. Science serving justice – opportunities for enhancing integrity in forensic science in Africa. *Forensic Sciences Research* (2021); 6, 4.
4. Wager L, Kleinert S, Bähr V, Bazdaric K, Farthing M, Garfinkel M, Graf C, **Hammatt Z**, Horn L, King S, Parrish D, Pulverer B, Taylor P, van Meer G. Cooperation & Liaison between Universities & Editors (CLUE): recommendations on best practice. *Research Integrity and Peer Review* (2021); 6, 6.
5. Barr D, Chan D, Garfinkel S, **Hammatt Z**, Ichikawa I, Kalichman M, et al. First meeting in Asia of the Asia Pacific Research Integrity network. *Accountability in Research* (2020); 27:2,99-106.
6. **Hammatt Z**. Commentary: a broader perspective on the RePAIR consensus guidelines (Responsibilities of Publishers, Agencies, Institutions, and Researchers in protecting the integrity of the research record). *Research Integrity and Peer Review* December 2018; 3(1).
7. Dye TD, **Hammatt Z**, Watanawongskul S, Dean T, Bullard P, Sauvage L. Differential rates of consenting to share information and to participate in future genetic research: experience from a large perinatal biorepository. *American Journal of Obstetrics and Gynecology* 2012; 206(1): S322.
8. **Hammatt Z**, Nishitani J, Heslin KC, Perry MT, Szetela C, Jones L, Williams P, Antoine-La Vigne D, Forge N, Norris KC. RTRN: Partnering to harmonize IRBs for community-engaged research to reduce health disparities. *Journal of Healthcare for the Poor and Underserved* 2011; 22(5): 8-15.

13. Easa D, Harrigan R, **Hammatt Z**, Greer M, Kuba C, Davis J, Beck J, Offenbacher S. Addressing oral health disparities in settings without a research-intensive dental school: collaborative strategies. *Ethnicity and Disease* 2005; 15: 187-190.
14. Davis J, Busch J, **Hammatt Z**, Novotny R, Harrigan R, Grandinetti A, Easa D. The relationship between ethnicity and obesity in Asian Pacific Islander populations: a literature review. *Ethnicity and Disease* 2004; 14: 111-118.

PEER-REVIEWED ORAL AND POSTER PRESENTATIONS

1. Accountability and Transparency via Country Report Cards: United States (concurrent session, convened by Sabine Kleinert). 5th World Conference on Research Integrity. Amsterdam, Netherlands. May 31, 2017.
2. **Hammatt Z**, Carfora J. Promoting Responsible Conduct of Research for Senior Institutional Leaders. Poster presentation; 5th World Conference on Research Integrity. Amsterdam, Netherlands. May 28-31, 2017.

10 ottobre 2024

3. **Hammatt Z**, Tamot R. U.S. Public Health Service Funds in an International Setting: Research Integrity and Compliance. Oral presentation (concurrent session); 4th World Conference on Research Integrity, Rio de Janeiro, Brazil. June 1, 2015.
4. **Hammatt Z**, Tamot R, Dahlberg J. Drivers of Research Misconduct: Perspectives from the U.S. Office of Research Integrity. Oral presentation (plenary session); Fourth World Conference on Research Integrity, Rio de Janeiro, Brazil. June 1, 2015.
5. Nishitani J, **Hammatt Z**, Smith JC, Klement BJ, Sodeke SO. Establishment of IRB reciprocity in a multi-center translational research network. Poster; PRIM&R Advancing Ethical Research Conference, Boston, MA. November 7-9, 2013.
6. **Hammatt Z**, Ricks-Santi LJ, De Ver Dye T, Perry MT, Calhoun K, Pratap S, Bowen N, Steneck N. Engaging a health disparities network to develop a model informed consent form and process to increase enrollment of ethnically diverse participants in research studies with biospecimen repositories. Oral presentation (plenary); The Global Technology Community: Biospecimens and Biorepositories Conference. San Diego, CA. June 7-8, 2012.
7. Pratap S, Boukli N, Almeida I, Perry T, Tabb D, Dye T, **Hammatt Z**, Powell M. Creation of a proteomics and bioinformatics collaborative group to enhance biomedical research at ethnically diverse institutions. Poster; International Conference on Intelligent Biology & Medicine, Nashville, TN. April 22-24, 2012.
8. Dye TD, **Hammatt Z**, Ricks-Santi L, Pratap S, Bowen N, Richard-Davis G, Le Pape M. A biospecimen repository community of best practices across ethnically diverse institutions to facilitate informatics solutions in biospecimen science. Poster presentation; 5th Annual Biospecimen Research Network Symposium: Advancing Cancer Research through Biospecimen Science, Bethesda, MD. February 22-23, 2012.
9. Ricks-Santi L, **Hammatt Z**, Dye TD, Pratap S. Sharing a model consent form to increase enrollment of ethnically diverse populations in research and biospecimen repositories. Poster presentation; 5th Annual Biospecimen Research Network Symposium: Advancing Cancer Research through Biospecimen Science, Bethesda, MD. February 22-23, 2012.
10. Dye TD, **Hammatt Z**, Watanawongskul S, Dean T, Bullard P, Sauvage L. Differential rates of consenting to share information and to participate in future genetic research: experience from a large perinatal biorepository. Poster; Society for Maternal Fetal Medicine 32nd Annual Meeting, Dallas, TX. February 6-11, 2012.
11. **Hammatt Z**, Nishitani J, et al., RTRN: A community-partnered approach to IRB harmonization. Poster Presentation, RCMI 12th International Symposium on Health Disparities, Nashville, TN. December 6-9, 2010.
12. **Hammatt Z**, Boozer T, Antoine-La Vigne D, Sarpong D, Sodeke S. The RCMI Translational Research Network as a model for global health: community at the heart of innovative research and technology transfer. Oral presentation (concurrent session); Association of University Technology Managers Conference. San Juan, Puerto Rico. June 15-17, 2009.
13. **Hammatt Z**, Harrigan RC. Teaching strategies: a creative pedagogy for law and ethics in medical education. Poster Presentation; Western Group on Educational Affairs Annual Regional Conference, Honolulu, HI. April 15, 2007.

INVITED LECTURES AND PRESENTATIONS

1. Medical Students' Interactive Session: Introduction to Research Integrity and Research with Human Participants. John A. Burns School of Medicine, University of Hawaii. Digital event. April 22, 2022.
2. Professionalism and Civility in the Practice of Research. John A. Burns School of Medicine, University of Hawaii, CMB 626 graduate course. Digital event. April 21, 2022.
3. Establishing Research Integrity Structures in Developing Contexts. Latin American Research Integrity Network Seminar. Digital event. February 23, 2022.
4. Scientific Integrity – what do we mean and why does it matter? Global digital exchange of ideas and experiences on Scientific Integrity. German Commission for UNESCO. Digital event. December 9, 2021.
5. Professionalism in Research and Practice, John A. Burns School of Medicine, University of Hawaii, CMB 626

10 October 2024

- graduate course. Digital event. December 2, 2021.
6. Interactive workshops and presentations on research ethics and integrity. Ponce Health Sciences University. Ponce, Puerto Rico. November 8 - December 4, 2021.
 7. Let's Talk About Integrity: Research Bootcamp. Hawaii Pacific University. Digital event. November 20, 2021.
 8. Cross-border Investigations: the Hawaiian-Austrian case (with Dr. Nicole Foeger). ENRIO 2021 Congress on Research Integrity Practice. Digital event. September 27, 2021.
 9. How Biases Impact Corporate Culture: listening as a tool to prevent organisational bias. Clarity Ethics Podcast. June 4, 2021. <https://podcasts.apple.com/us/podcast/ethical-antidotes/id1566307448>
 10. Research Ethics and Integrity. John A. Burns School of Medicine, University of Hawaii. Ola Hawaii Mentoring Bootcamp. Digital event. June 8, 2021.
 11. Medical Students' Interactive Session on Ethics and Integrity. John A. Burns School of Medicine, University of Hawaii. Digital event. June 4, 2021.
 12. An Introduction to Research Integrity. 2021 INBRE IV Program Meeting, John A. Burns School of Medicine, University of Hawaii. Digital event. April 16, 2021.
 13. Research Ethics and Integrity: commonalities and considerations. African Research Integrity Network Seminar. Digital event. March 30, 2021.
 14. Federal regulations for Human Subjects Research. John A. Burns School of Medicine, University of Hawaii. CMB 626 Graduate Course. Digital event. March 11, 2021.
 15. Disclosure of Interests in Scientific Publication. John A. Burns School of Medicine, University of Hawaii. CMB 611 Graduate Seminar. Digital event. March 1, 2021.
 16. Human Subjects Research: Common Rule and Privacy Rule considerations. John A. Burns School of Medicine, University of Hawaii, CMB 626 Graduate Course. Digital event. October 8, 2020.
 17. Research Integrity & Scholarly Communication. Second Forum on the Future of Scholarly Communication. Hangzhou, China. Digital event. August 5, 2020.
 18. The Importance of Research Integrity Policies in Academia: what happens when your institution does not have a policy and procedures? Latin American Integrity Network. Lima, Peru. Digital event. July 23, 2020.
 19. The Role of Leaders and Researchers in Fostering Integrity. John A. Burns School of Medicine, University of Hawaii. Ola Hawaii Mentoring Bootcamp. Digital event. June 16, 2020.
 20. Factors that may Contribute to Research Misconduct, a case study. Mahidol University. Bangkok, Thailand. July 19, 2019.
 21. U.S. Strategies for Addressing Research Misconduct. National Science Library. Ministry of Science and Technology. Beijing, China. July 12, 2019.
 22. Exchanging views on Research Integrity. Office of Research Integrity, National Science Foundation of China. Beijing, China. June 14, 2019.
 23. Understanding the Role of Data Integrity in Responsible Research. Sorbonne University. Paris, France. December 20, 2018.
 24. Fostering a Culture of Research Integrity. Fudan University. Shanghai, China. October 24, 2018.
 25. Creating an Arc of Research Integrity. Governmental inter-agency exchange. Beijing, China. October 21, 2018.
 26. Case-based Workshop: Falsification, Fabrication and Plagiarism / Conflicts of Interest. Research Integrity Symposium at Hong Kong University. Hong Kong, PRC. October 18-19, 2018.
 27. Asia Pacific Research Integrity and African Research Integrity Networks. European Network of Research Integrity Offices meeting. Rome, Italy. April 11, 2018.
 28. Exploring Topics in Research Integrity. National Cheng Kung University. Tainan, Taiwan. March 1, 2018.
 29. Workshop in Research Integrity. King Mongkut's University of Technology Thonburi. Bangkok, Thailand. February 23, 2018.
 30. Introduction to Topics in Research Integrity. National Science and Technology Development Agency Researchers Workshop. Bangkok, Thailand. February 22, 2018.
 31. Factors Determining the Outcome of Alleged Research Misconduct Review. Association for Promotion of Research Integrity in Japan. Tokyo, Japan. November 21, 2017.
 32. Responsible Research in a Global Context. Tokyo Tech University. Tokyo, Japan. November 21, 2017.
 33. Data Management and Mentoring in the ARC of Research Integrity. Chiang Mai University. Chiang Mai, Thailand. November 15, 2017.
 34. Introduction to the Responsible Conduct of Research in a Global Context. Responsible Conduct of Research in Thailand Conference. Bangkok, Thailand. November 13, 2017.
 35. Data Management and Supervision in the ARC of Integrity. National Cheng Kung University. Tainan, Taiwan.

10 ottobre 2024

November 10, 2017.

36. Engaging Researchers in Integrity. National Chiao Tung University. Taipei, Taiwan. November 9, 2017.
37. Management, Ownership and the Legal Aspects of your Research Data Symposium: Good Practices in Research Data Management in a Global Context. Hong Kong University, Hong Kong. November 7-8, 2017.
38. Points to Consider in Handling Cross-Boundary Research Misconduct Allegations (co-presented with Dr. Torkild Vinther; Vice Chair, European Network of Research Integrity Offices). Association of Research Integrity Officers Annual Conference. San Diego, CA. September 26, 2017.
39. Handling Allegations of Suspected Breaches of Research Integrity (pre-conference workshop, convened by Hanneke Haes). 5th World Conference on Research Integrity. Amsterdam, Netherlands. May 28, 2017.
40. The ARC of Integrity (keynote lecture). UKRIO Annual Meeting. London, England. May 10, 2017.
41. Dialogue on Research Integrity. Hong Kong University Graduate School. Hong Kong, PRC. February 21, 2017.
42. Research Integrity and Education in a Global Context: From the Top Down and the Inside Out. National Yang-Ming University symposium. Taipei, Taiwan. February 18, 2017.
43. Office of Research Integrity, RCR, and the Role of a RIO. Collège de France, Paris, France. July 7-8, 2016.
44. ORI's Division of Education and Integrity. Japan Agency for Medical Research and Development Inaugural Research Integrity Conference. Tokyo, Japan. June 28, 2016.
45. Division of Education and Integrity Initiatives and Responsibilities. ORI-NSF Retreat, National Science Foundation Office. Arlington, VA. June 6, 2016.
46. Definitions and Regulatory Requirements Related to Responsible Research. Promoting the Responsible Conduct of Research for College and University Leaders Conference, Marina del Rey, Los Angeles. April 14-15, 2016.
47. Forging a Career with Integrity. Alumni Lecture Series, Career and Professional Development, Loyola Marymount University. Los Angeles, CA. April 13, 2016.
48. Reflections and Future Plans for Education and Integrity at ORI. APPE 2016 Research Integrity/ RCR Workshop. Reston, Virginia. February 18, 2016.
49. Research Integrity and Research Misconduct: Perspectives from the U.S. Office of Research Integrity. Howard University, Office of Regulatory Research Compliance. November 6, 2015.
50. Perspectives from the U.S. Office of Research Integrity. Introduction to Clinical Ethics, Fall 2015: Session 5, School of Medicine, Georgetown University. October 20, 2015.
