EDUCATION AND QUALIFICATIONS

- **Roma Tre University, Bsc: Mathematics**
  September 2010 – March 2017
  Final Grade: 109/110

- **Roma Tre University, Msc: Computational Sciences**
  September2017 – July 2021
  Final Grade: 110/110 cum laude

- **University College London, Msc: Data Science and Machine Learning**
  September 2021 – September 2022
  Final Grade: Merit

IT SKILLS

- I have an intermediate knowledge of Python 3 and of Machine Learning and Data Science libraries, such as Numpy, Pandas, ScikitLearn and Tensorflow, as well as computer vision library OpenCv.

- I have intermediate knowledge of Biosegment and Dash frameworks.

- I completed the following specializations on Coursera:
  - TensorFlow Developer Professional Certificate.
  - TensorFlow Advanced Techniques Specialization.
  - TensorFlow 2 for Deep Learning Specialization.

CONFERENCES ATTENDED

- **3rd SYSBIO School on computational Systems Biology**
  9-11 May, 2018, Rome, Italy.

- **Summer School on Optimization, Big Data and Applications (OBA)**
  30th June - 6th July, 2019, Veroli, Italy.

- **Application of Artificial Intelligence and Machine Learning in Heterogeneous Brains**
  4th September – 6th Steptember 2021, Online.

• PROFESSIONAL EXPERIENCE

- **Credito Bergamasco S.P.A.**
  July 2008 – September 2008
  Bank counter attendant.

- **Catenate S.R.L.**
  June 2017 – August 2017
  Trainee.

- **Roma Tre University, Mathematics Faculty administrative office**
  April 2018 – Febraury 2020
  Recipient of a work scholarship.

LANGUAGE SKILLS

- **Enlgish:** C1

- **Japanese:** A2

ADDITIONAL INFORMATION

- I'm passionate about japanese language and culture.

- I have been practicing sleight of hands since 2014.

- I enjoy painting miniatures.

- I won a scholarship for worthy students for three consecutive years (17/18, 18/19, 19/20) during my Msc studies at Roma 3 University.
