

Nicola Marzari

Professor Nicola Marzari holds the Chair of Theory and Simulation of Materials at the École Polytechnique Fédérale de Lausanne, where he is also the Director of the Swiss National Center for Computational Design and Discovery of Novel Materials. He heads the Laboratory for Materials Simulations at the Paul Scherrer Institut, and holds an Excellence Chair at the University of Bremen. Previous tenured appointments include the first Statutory Chair in Materials Modelling at the University of Oxford, and the Toyota Chair for Materials Processing at MIT. He has a Laurea degree in Physics from the University of Trieste and a PhD in Physics from the University of Cambridge.
