

SCIENTIFIC COOPERATION AGREEMENT

between

The National Research Council of Italy

and

University College London.

The National Research Council of Italy (CNR) and University College London, foreign Institution) (hereinafter referred to as the “Parties”) have agreed to sign up the following Agreement

Article I – Purpose

The purpose of this Agreement is to further strengthen cooperation in scientific research between Italy and United Kingdom.

The Parties, on a basis of equality and mutual benefit, will co-operate in the following (but not limited to these) scientific areas:

- neurobiology
- neuropathology
- bacterial neurotoxins
- synaptic transfer

Article II - Forms of Cooperation

The Parties will co-operate , as a general principle, through the following joint activities:

- Joint laboratories

Article III - Financial support

Joint laboratory: UCL Institute of Neurology, Lab of Prof. Schiavo

For the joint laboratory

(TITLE) **Inter-neuronal transfer of clostridial neurotoxins and Tau: cell specificity and relevance for brain disorders**

Italian Principal Investigator and Institute: Prof Matteo Caleo, University of Padua and CNR Neuroscience Institute

Foreign Principal Investigator and Institute: Prof. Giampietro Schiavo, UCL Queen Square Institute of Neurology

selected by CNR for the years 2019-2021,

CNR will grant the Italian research team an annual amount of €...48000...;

The UCL will grant the CNR research team an annual amount in kind of € 45000;

Article IV - Intellectual Property Rights

The contents and results of the activities carried out under the above mentioned Joint Laboratory may be used or published by CNR and/or UCL. following the normal provisions in force on this issue

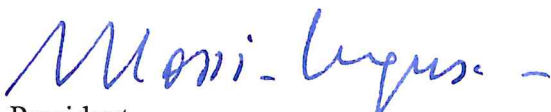

within the scientific community. Each partner retains the intellectual property rights on the results deriving from the activities performed during the Joint Laboratory.

Article V - Entry into Effect, Duration, and Termination

This Agreement shall enter into effect on the date of its signing by both sides. This Agreement shall remain in force until the expiration date of CNR funding. Either Party may notify the other of its intention to terminate the Agreement, in which case any existing program will be brought to an orderly conclusion and the funding will be suspended. Notifications will have to be forwarded six months in advance of the termination of the Agreement. This Agreement is written and signed in two originals, in the English language.
