

CURRICULUM VITAE

Personal Information

- Surname: Mazroui
- First Name: Azzeddine
- Profession: Full Professor of Computer Science
- Workplace: Faculty of Sciences, University Mohammed I
- Nationality: Moroccan

Academic Qualifications

- **Doctorat d'État** in Numerical Analysis, University Mohammed I, Faculty of Sciences, Oujda, Morocco, July 2000
- **PhD** in Probability and Statistics, Pierre & Marie Curie University (Paris 6), France, January 1993
- **DEA Diploma (Master's)** in Probability and Statistics, Pierre & Marie Curie University (Paris 6), France, September 1989

Professional Experience

Job Title	Start	End	Employer
Full Professor	July 2004	Present	University Mohammed I, Oujda, Morocco
Associate Professor (Maître de conférences)	July 2000	June 2004	University Mohammed I, Oujda, Morocco
Assistant Professor	October 1993	June 2000	University Mohammed I, Oujda, Morocco
ATER (Temporary Teaching and Research)	October 1992	September 1993	Nanterre University, France
ATER	October 1991	September 1992	Anger University, France

Scientific Roles

- Chair and Co-chair of various conferences
- Member of scientific committees for several conferences
- Supervised 11 PhD theses
- Published over 100 scientific articles
- Reviewer for over 10 journals

Professional Responsibilities

- Coordinator of the M2I Master (Master of Computer Engineering) since January 2021
- Associated editor of Journal of King Saud University-Computer and Information Sciences since 2020.
- Director of the NLP unit in the LaRI laboratory (Laboratory of Research in Computer Sciences) since January 2010
- Co-founder of the Master's in "Research in Computer Science" (2010-2018)
- Coordinator of the SMA License program in Mathematics Sciences (2007-2011)
- Tutoring Coordinator at the Faculty of Science (April 2010)
- Member of the Mathematics and Computer Sciences department council (2007-2009)
- Co-founder of the ANLP unit at the LaRI laboratory, October 2006
- Member of the LaRI laboratory since October 2005
- Co-founder of the Doctorate program "Approximation, Computer Sciences, and Signal Analysis" (2005-2009)
- Member of the Oujda Scientific Faculty Council (2002-2005)
- Member of the Numerical Analysis and Computer Sciences Laboratory (1999-2005)
- Co-founder of the DESA (Master's) program in "Approximation, Computer Science, and Signal Analysis" (2003-2005)
- Member of the Mathematics and Computer Sciences department council (1998-2000)

Teaching Experience (last 10 years)

Course title	Level	Specialty	Years	Institution
Data Structures	2 nd Year	Computer Sciences	Since 2022/2023	Faculty of Sciences Oujda (FSO)
Data mining	Master	Computer Sciences	Since 2017/2018	FSO
linguistic engineering	Master	Computer Sciences	Since 2016/2017	FSO
Statistics	2 nd Year	Mathematics	From 2011/2015 ... 2016/2017	FSO
Image processing	Master	Computer Sciences	From 2014/2015 to 2016/2017	FSO
C programming language	2 nd Year	Computer Sciences	2014/2015 and 2015/2016	FSO
