

Elisa Giovannetti, MD, PhD

My research is focusing on the mechanism of action (and resistance) of anticancer agents in pancreatic and thoracic cancers

AREAS OF EXPERTISE

Drug resistance
Drug combinations
Translational studies
Preclinical models
Pancreatic / thoracic cancers

AWARDS

- Selected for the EORTC leadership program
- Selected by AIRC to give a lecture at the Italian Days of Research at Quirinale Palace
- Award of Excellence from the International Group of Endovascular Oncology 2018
- Berlusconi Award for Italian Researchers 2012
- Young Researcher grant at European Pancreatic Club Meeting, Prague 2012
- Young Investigator grant at 14th Symposium on Purine & Pyrimidine, Tokio 2011
- ASCO-EORTC-NCI grant for the "Tutorial on Molecular markers" Brussels 2009
- L'Oreal-UNESCO Award for Women in Science V Italian Edition, 2007
- Best Presentation Award & Young Scientist Travel Grant EORTC-PAMM, Berlin 2007
- SIF fellowship for training experience abroad, 2006
- Best Presentation Award, XXIX Italian Association Study of Pancreas (AISP) National Congress, Bologna 2005
- Farmindustria-Award in clinical pharmacology, XXXII Italian Society Pharmacology Congress, Napoli 2005
- Best Presentation Award, International Symposium on Pancreas, Tirrenia 2004
- American Association for Cancer Research (AACR)-Pezcoller Scholar in Training Award in the AACR 95th Annual Meeting, Orlando (Florida) 2004

WORK EXPERIENCE

Licensure and certification

Full Professor of Pharmacology, Italian Ministry of University (2022)
Board-certified Clinical Pharmacologist, University of Pisa, Pisa, Italy (2004)
MD, licensed to practice Medicine in Italy (2000)
- **Associate Professor**, Amsterdam UMC, The Netherlands (2016 –present) & **PI Cancer Pharmacology Lab**, AIRC Start-Up, FPS, Italy (2018 –present)
- Senior Researcher, VUmc, Amsterdam, The Netherlands (2007–2013)
- Postdoc Researcher, University of Pisa (2007–2017)

ACADEMIC QUALIFICATIONS

PhD Internal Medicine & Pharmacology Pisa University 2000-2007
Postgraduate Master in Clinical and Experimental Pharmacology 2005
Postgraduate School of Clinical Pharmacology, cum laude 2000-2004
MD, School of Medicine, cum laude 1994-2000

Teaching

- Coordinator Master Oncology ITT course (2016-present), Lecturer Master & Bachelor courses, VUmc & AUC (2009-present), supervisor >50 students
- Member, Board Professors, PhD "Experimental Oncology" Palermo University
Co/promotor of 18 completed and 17 ongoing PhDs

PUBLICATIONS

- 402 articles in refereed Journals, **57 articles as first name, 150 as last name or corresponding author**. Average IF>15 in 150 representative articles; **Google-Scholar H-index=69**, number citations>20000
- 17 book chapters and >250 abstracts in international meetings
- 92 invited lectures and 93 oral presentations selected by competition

GRANTS (for a total >24.000.000 euro), including

- Principal Investigator (PI): KWF 2023 [632.000€], KWF 2021 [599.000€], EU project grant H2020-MSCA-RISE 2020 [745.000], KWF 2018 [636.000€], FPS 2018 [180.000€], KWF 2016 [353.467€], AIRC-Start-Up 2014 [750.000€], AIO-Alliantie grant 2014 [208.000 €], Mesothelioma Research Foundation US, 2014 [100.000\$], MarieCurie 2011 [86.000€], CCA grant 2012/15/16/18 [272.000/75.000/75.000/75.000€], NWO-Veni 2010 [250.000 €]
- Co-PI/participant: Ricerca Finalizzata 2023 [450.000€], KWF 2020 [525.000€], Fondazione Pisa 2020 [445.000], OPUS grant [150.000], AMF [25.000], KWF 2016 [835.908€], AIRC/iCARE-MarieCurie 2015 [120.000€]; FAS 2015 [1.039.563€], Bennink Foundation [650.000€], Clinical Research & Innovation DIPINT 2015 [20.000€], CCA-Foundation 2013/2021 [290.000/160.000/160.000€], FP7-REGPOT-2012-2013 [11.199.702€], ITT2012[210.000€], EORTC-PAMM [5.000€], PRIN/MIUR2010 [83.000 €]

Other activities Past **CHAIR EORTC-PAMM** (Chair April 2021-2024)

- Board member of **COST Action** TRANSPAN (September 2022-present)
- **AISP Steering Committee**, 2014-16, AISP scientific board (2017-present)
- **Abstract Selection Committee of the European Pancreatic Club** 2012-15
- PI "GEM Profile in NSCLC" (**US PharmGKB**)
- **Deputy Editor** *Crit Rev Oncol Hematol* - **Associate Editor** *CDR, Cell Oncol, JECCR*
Member **Editorial Board** *BMC Cancer, Can Resp Journal, Cancer Chemother Pharmacol, Cancers, Eur J Surg Oncol, Frontiers Pharmacol, J Chem, J Mol Clin Med, Sci Rep, World J Clin Oncol, W J Pharmacol*
