

Amy T. Galloway, Ph.D.

Department of Psychology
Appalachian State University
Boone, NC 28608

Education

Ph.D. in Psychology, University of Georgia, Athens, GA, 1998
Certificate in Conservation Ecology and Sustainable Development, Institute of Ecology,
University of Georgia, Athens, GA, 1996
M.S. in Animal Behavior, Bucknell University, Lewisburg, PA, 1995
B.A. in Psychology, Furman University, Greenville, SC, 1991

Honors and Awards

Sapienza University, Visiting Professor Fellowship, Rome, Italy, 2021
Appalachian Faculty Study-Away Institute, Dominican Republic, 2019
Award for Excellence in Community Engagement, University College, Appalachian State, 2018
Appalachian Faculty Study-Away Institute, New York City, NY, 2017
Woman in Agriculture Award, Farm-City Awards Banquet, Boone, NC, 2013
Faculty Fellows Service-Learning Program, Appalachian State University, 2007
Dannon Nutrition Leadership Institute, Invited Scholar, 2003
National Research Service Award, National Institutes of Health, Penn State, 2000-2003
McKeachie Early Career Teaching Award, American Psychological Association, 1998
Early Career Bursary, Social Learning Conference, Naples, Italy, 1998
C. L. Darby Teaching Award, Department of Psychology, University of Georgia, 1997
Graduate School Teaching Seminar Assistantship, University of Georgia, 1997
Teaching Assistant Mentorship Program, University of Georgia, 1996-97
Outstanding Graduate Teaching Award, University of Georgia, 1996

Awards & Nominations by Students

Nominated, Mentor of the Year, Psi Chi, Department of Psychology, Spring 2012
Psi Chi "Psyched for Psychology" Award, Spring 2007
National Residence Hall Honorary Spotlight of the Month Award, Appalachian State
University chapter, Spring 2007
Psi Chi Advocate Award, Department of Psychology Psi Chi, Fall 2006

Employment

2017-present	Professor of Psychology, Appalachian State University
2009-2017	Associate Professor of Psychology, Appalachian State University
2008-2009	Visiting Scholar, School of Nursing, Christchurch Polytechnic Institute of Technology, NZ
2003-2009	Assistant Professor of Psychology, Appalachian State University
2000-2003	NIH Postdoctoral Fellow, Pennsylvania State University
1998-2000	Postdoctoral Teaching Fellow, Northern Michigan University
1994-1997	Graduate Teaching Assistant, University of Georgia
1991-1993	Graduate Teaching Assistant, Bucknell University

Teaching Experience

Appalachian State University, 2003-present
Undergraduate Instructor

Contemporary Issues, Senior Capstone
 Youth Mental Health First Aid
 Conservation Psychology (+ Service-Learning)
 History & Systems
 Child & Adolescent Development (+ Service-Learning)
 Human Growth and Development
 Ecopsychology
 Research Methods
 Psychology of Parenting
Graduate Instructor
 Teaching of Psychology
 Developmental Graduate Seminar

Northern Michigan University, 1998-2000

Undergraduate Instructor
 Child Development
 Child-Care Services
 Individual and the Family
 Aging in the Family
 Comparative Animal Behavior
 Introduction to Psychology, Honors
 Physiological Psychology

University of Georgia, 1994-1998

Undergraduate and Graduate Instructor
 Graduate Teaching Assistant Seminar
 Comparative Animal Behavior
 Introduction to Statistics
 Experimental Design
 Experimental Design & Statistics

Bucknell University, 1991-1993

Undergraduate, Teaching Assistant
 Statistics
 Animal Behavior Laboratory
 Introduction to Psychology

Mentoring

Graduate Theses, Chair

Taylor Martin (2022). *Does self-feeding predict infant engagement in joint attention during mealtimes?*(Graduate Thesis Award Winner)

Katherine Quinn (in progress). *The making of a vegetarian: Understanding the association between parenting practices and upkeep of a vegetarian diet beyond the childhood home.*

Jordan Hamilton (2019). *The role of disgust sensitivity in disordered eating symptomology*

Jordan Ellis (2015). *Recollected pressure to eat in childhood predicts college student eating behaviors.*

Greg Horn (2008). *Child temperament and parental child feeding practices in siblings.*

Danae Olson (2008, co-chair with Consumer & Family Sciences). *Breastfeeding duration and maternal child feeding practices in siblings.*

Lucinda Payne (2007). *"May I have a cookie, too?" Relationships between maternal feeding practices and child weight in siblings.*

Carol Pulley (2006). *Parents' and children's perception of parental child feeding practices.*

Graduate Theses, Committee Member

- Lauren Francis (2019). *The relationship between weight teasing and disordered eating behavior with fat talk as a moderating factor.*
- Megan Norris (2018). *Preschoolers think strangers will share the same knowledge as other group members, but will not behave like them.*
- Courtney Rogers (2016). *Mothers, friends, and the media: Who influences fat talk the most?*
- Alana Michaels (2014). *Exploring gender and weight loss motivators.*
- Rebecca Daniel (2014). *The effects of the natural environment on attention restoration.*
- Tracy Jarrell (2011). *The cultural history and future of sheep farming in the High Country.* Center for Appalachian Studies.
- Heather Holt (2010). *Preschool child temperament and student-teacher relationships: Predictors of teaching stress.*
- Anna Petroff (2009). *Demographic predictors of current and ideal body weight discrepancy scores.*
- Jennie Bollinger (2009). *The interactional effects of child temperament and parenting stress on the parent child relationship.*
- Myra Robinson (2007). *Caucasian women's self and body esteem as impacted by exposure to thin models of varying ethnicities.*
- Alida Noverese (2005). *Exercise, immune functioning, and mood: An investigation of the cytokine theory of depression in elite cyclists.*

Undergraduate Honors Theses, Chair

- Camden Hutchinson (2023). *Infant-led weaning and parental use of pressure to eat.*
- Kate Bridgers (2023). *Eating with the Earth: The application of Ecopsychology to heal from harmful dieting behaviors.*
- Katelyn Currie (2018). *Baby-led weaning in the United States: A descriptive study of infant feeding practices.*
- Laura Sarsony (2018). *Effects of gender and age within disgust sensitivity.*
- Meghan Shaul (2016). *A domain-specific approach to the socialization of children's eating behavior.* Psychology Department.
- Marie Saxon (2012). *ADHD and eating behavior in college students.*
- Sarah Duncan (2012). *A critical review of school garden programs.* (Nutrition Department.)
- Courtney Stiles (2010). *Cultural identity formation: How culture relates to theory, individual identity, and the environment.*
- Emily Steinbaugh (2008). *A healthy start: The relationship between controlling maternal feeding practices and child health status among siblings.*
- Alisa Hutchison (2006). *The relationship between picky eating and differential parental pressure in siblings.*

Undergraduate Honors Theses, Second Reader

- Sarah Barnes (2019). *The Separation from Nature: Implications on human well-being and the future of our planet.* General Honors, Sustainable Development.
- Ally Pollack (2014). *The significance of sign language in the language development of deaf children.* General Honors, Communication Disorders.
- Megan Kuser (2013). *Childhood obesity and the increasing prevalence of adult-like risk factors for chronic disease.* General Honors, Department of Biology.
- Kathleen Peterman (2013). *Investigation of co-operatives in High Country of North Carolina.* Department of Sustainable Development.
- Juliana Glenn (2013). *Household chicken production: Its benefits and uses in both developed and developing countries.* Department of Sustainable Development.
- Emily Adams (2009). *A cross-cultural study of motivations to eat using U.K. and U.S. college students.*
- Erin Casner (2008). *Psychological correlates of temporal perspectives.*
- Kasmira Adkins (2008). *Nutritional comparison of locally-grown versus commercially-shipped tomatoes.* (Public Service Research Project.) Biology & Chemistry

Departments.

Grant Writing

External Submissions & Funding

- Farrow, C.V., Galloway, A. T., & Addressi, E. *Understanding whether infant feeding method is related to language development in three countries*. Economic and Social Research Council and National Science Foundation (October, 2018, not funded)
- Kondrad, R., Emery, L., Galloway, A. T., & Wingrove, T. *Supporting Summer Research Assistants*. APA Supre Support Grant. (May, 2017, not funded).
- Galloway, A. T. *Exploring human development through the lenses of culture and sustainability in Bhutan*. Fulbright Fellowship (Submitted August 2015, not funded. Application forwarded to host country for highest level of review.)
- Galloway, A. T., Kelly, C., & Webb, R. M. *Increasing vegetable consumption in childcare settings: How much do daily exposure and a supportive feeding environment matter?* Healthy Eating Research Special Solicitation. Concept paper. Robert Wood Johnson Foundation. (Submitted January, 2015, not funded.)
- Galloway, A. T., Watson, P., Pitama, S. *The Canterbury eating and feeding study: A survey of non-food factors affecting toddlers and preschoolers eating habits and weight*. Academic Research Committee Grant. Christchurch Polytechnic Institute of Technology, Christchurch, NZ (Submitted March 2009, funded: \$3760.00.)
- Galloway, A. T., & Farrow, C. V., Chung, S.-J. *Cross-cultural study of child feeding practices, diet, and weight status*. Principal Investigator, R21 Grant submitted to NIH (Submitted October, 2006, not funded.)
- Galloway, A. T. *Mothers' and fathers' differential treatment eating behavior in siblings*, Principal Investigator, R15 Grant submitted to NIH (Revised and resubmitted February, 2006, not funded.)
- Galloway, A. T. & Chung, S.-J. *Preschool children's subclinical eating problems and related factors in Korea and the United States*, Co-Investigator, Korean Research Foundation (July, 2005, not funded.)
- Galloway, A. T. *Differential parental treatment in the feeding domain*, Principal Investigator, R15 Grant submitted to NIH (Revised and resubmitted September, 2004, not funded)
- Galloway, A. T. *Differential parental treatment in the feeding domain*, Principal Investigator, R15 Grant submitted to NIH (Submitted Jan 2004, not funded)
- Galloway, A. T., *Influences on food preferences in children*, Co-Investigator, National Research Service Award, National Institutes of Health, three-year training award (2000-2003, funded \$118,804)

Internal Submissions & Funding

- Galloway, A. T. *Climate Psychology Training and Certificate*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted February, 2024, funded: \$2,000.00.)
- England, L. Galloway, A. *Pathways to Resilience: Innovative Student Engagement Experiences to Transform Climate Anxiety to Climate Agency*. Chancellor's Innovation Scholar Program (Submitted October 2023, not funded).
- Galloway, A. T. *Integrating Mental Health First Aid into Psychology Service-Learning*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted February, 2021, funded: \$1,000.00.)
- Quinn, K. *The Making of a Vegetarian: Understanding the Association Between Parenting Practices and Upkeep of a Vegetarian Diet Beyond the Childhood Home*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted October, 2020, funded: \$300.00.)
- Galloway, A. T. *Integrating Mental Health First Aid into Psychology Service-Learning*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted February, 2020, not funded)

- Quinn, K. *Understanding Infant Feeding Practices and Implications for Infant Feeding Practices in Two Countries*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted February, 2019, funded: \$400.00.)
- Galloway, A. T. *Understanding Infant Feeding Practices in the US and Italy*. Student and Faculty Excellence (SAFE) Fund for summer stipend to graduate student (Hadley Brochu), College of Arts & Sciences, Appalachian State University. (Submitted May, 2017, funded: \$1,360.00.)
- Galloway, A. T. *Examining the predictors and outcomes of disgust sensitivity*. Student and Faculty Excellence (SAFE) Fund for summer stipend to graduate student (Jordan Hamilton), College of Arts & Sciences, Appalachian State University. (Submitted May, 2017, funded: \$1,360.00.)
- Galloway, A. T. *Understanding the Development of Infant Eating Behavior and Disgust Sensitivity in Adults*. Student and Faculty Excellence (SAFE) Fund, College of Arts & Sciences, Appalachian State University (Submitted May, 2017, funded: \$2,500.00.)
- Galloway, A. T., Hege, A., Ignatov, J., Johnston, L., Marasco-Plummer, G., Martell, J., Ramsdell, C., Vernon, Z. D., Wilkes, J. *Food for Thought: A Community Series on Sustainable Food*, Sustainability Outreach Grant, Appalachian State University (Submitted February, 2017, funded; \$750.00)
- Doll, S. C., Galloway, A. T., Ignatov, J., Lappan, S., Marasco-Plummer, G., Ramsdell, C., Vernon, Z. D. *Developing the Appalachian Sustainable Food Collaborative*, Research Institute for the Environment, Energy and Economics' CONducting ComplEX Research Together (CONCERT) Grant Program, Appalachian State University. (Submitted October, 2015, funded: \$5,000.00.)
- Galloway, A. T., Shinnar, R. S., Lubarsky, S., Fanatico, A. *Fostering civic agriculture and entrepreneurship among women in the High Country*. Principal Investigator, Appalachian State University (Submitted October, 2012, not funded.)
- Galloway, A. T. Graduate Research Associate Mentorship Program Grant 2009-2011. Principal Investigator, Cratis D. Williams Graduate School. Appalachian State University. (Submitted 2009, funded.)
- Galloway, A. T., Watson, P., Pitama, S. *The Canterbury Eating and Feeding Study: Survey of non-food factors affecting toddlers and preschoolers eating habits and weight*. Principal Investigator, University Research Council, Appalachian State University (Submitted February, 2009, not funded.)
- Galloway, A. T. Farrow, C. V., Chung, S.-J. *Cross-cultural comparison of parental child-feeding practices: A pilot project for a larger study including the United States, the United Kingdom, and South Korea*. Principal Investigator, Foundation Fellow Grant, Appalachian State University (Submitted February, 2006, not funded.)
- Galloway, A. T. *Sibling similarities and differences*, Principal Investigator, University Research Council (February, 2006, funded \$2000.)
- Galloway, A. T. *Sibling similarities and differences*, Principal Investigator, University Research Council (October, 2005, not funded.)
- Galloway, A. T. *Sibling similarities and differences*, Principal Investigator, University Research Council (January, 2005, funded \$2880.)
- Galloway, A. T. *Sibling similarities and differences*, Principal Investigator, University Research Council (October, 2004, not funded)
