Istituto di Scienze e Tecnologie della Cognizione

Curriculum vitae et studiorum

Gian Luca Pasin….. nato il ….15/03/1991.......

CURRENT POSITION

Postdoctoral Researcher
Laboratory of Agent-Based Social Simulation (LABSS)
Institute of Cognitive Sciences and Technologies (ISTC)
Italian National Research Council (CNR), Rome, Italy

February 2023 –
Ongoing

Horizon Europe project: R3PACK "Reduce, Reuse and Rethink"
plastic packaging towards a novel fiber-based packaging and reuse
scheme uptake. https://www.r3pack.eu/

RESEARCH INTEREST

I employ empirically testable theories and a multi-methods approach (e.g., surveys and experiments) to study micro-level individual decision-making and the resulting emergent macro-level social phenomena. I explore these dynamics using different mechanisms behind social interactions, such as social norms.

EDUCATION

Ph.D. in Economic Sociology and Labour Studies
Department of Social and Political Sciences
NASP – Network for the Advancement of Social and Political Studies
University of Milan
Milan, Italy

September 2019 –
October 2023
