

Antonio Maglione

Languages:

Italian: Mother Tongue.
English: B2 – good in speaking, understanding and writing.
Spanish: Beginner.

Technical Skills:

Programming languages: C++, Matlab.

Software: Origin, Microsoft Office Package, Canva, MarcMentat.

Personal Skills:

- Teamworking
- Adapting to different environments and countries
- Problem solving
- Leadership

Education

University of Naples Federico II

Master's Degree in Materials Engineering 110/110 cum laude

December 19, 2023

Naples, Italy

Department of Chemical, Materials and Industrial Manufacturing Engineering

Thesis: "Hyper-crosslinked functionalized cellulose nanofibrils for adsorption of organic pollutants from water"

University of Naples Federico II

Bachelor's Degree in Science and Materials Engineering 110/110 cum laude

September 23, 2021

Naples, Italy

Department of Chemical, Materials and Industrial Manufacturing Engineering

Thesis: "Schiume a memoria di forma in ambito medico"

Centro Linguistico di Ateneo (CLA)

*Intensive English course
B2 level.*

From May 17 to July 18, 2023

Naples, Italy

Work Experience

Trainee at CNR

From March 6 to December 18, 2023

Pozzuoli, Italy

Study of microporous adsorbents for water remediation application. Starting from cellulose nanofibrils and exploiting the abundance of their functionalities, a synthetic route to graft a microporous hyper-crosslinked polymer phase on the surface of cellulose nanofibrils was designed.

Personal interest and details

- I love attending summer camps where I have the responsibility of leading groups of kids to help them stay together, play, and build friendships.
- I like play football with my friends. We do it almost every weeks. I really enjoy traveling and organizing day trips with them.

- Italian nationality (no Visa required)

- Full, clean driving licence
